The Association of Children's Museums Reciprocal Membership Program

A great value for families who travel! Purchasing an
Amazement Square membership at a level that includes
the Association of Children's Museums (ACM)
Reciprocal Membership Program is like having a
membership to over 130 exciting and dynamic
children's museums throughout the U.S. and Canada!
Members at the Super, Amazing, or Grand Square
levels are eligible to participate in the Reciprocal
Program. For a list of participating museums, or for more
information, visit www.ChildrensMuseums.org.

The Reciprocal Membership program entitles you and
your family to:

- Free admission at all times during regular
museum hours.*
- Admission to special exhibits for free or at
discounted rates as offered to members of
that museum.
- Admission to member previews as offered
to members of that museum.

*Important Note: The museum you visit has a right to reasonably restrict
the number of members and guests that may receive free admission
from the Reciprocal Program. The number of members allowed compli-
mentary entry at a museum you visit may be different than Amazement
Square's membership policy. Before your visit, please contact the
museum to inquire about their admission policy.
